KEBODI EMMANUEL FRIDAY

Data Analyst | Business Intelligence | Data Visualization

Lagos, Nigeria | +234 812 227 2919 | emmygreat7@gmail.com

LinkedIn: linkedin.com/in/emmyk7 | GitHub: github.com/emmyk77

PROFESSIONAL SUMMARY

Data Analyst with a foundation in Economics and Engineering, skilled in SQL, Power BI, Microsoft Excel, EViews, and SPSS. Experienced in data cleaning, exploratory analysis, statistical modelling, dashboard development, and analytical reporting across business, marketing, and economic datasets. Contributed to a pan-African research project covering 85+ technology academies as an AFRIMENT Data Analytics Intern. Combines quantitative rigour with clear communication to turn raw data into decisions stakeholders can act on.

CORE SKILLS

Data Analysis: Data Cleaning, Data Transformation, Exploratory Data Analysis (EDA), Data Validation, KPI Reporting

Visualization & BI: Power BI, Dashboard Development, Interactive Reporting, Business Performance Analysis

Querying: SQL (Extraction, Filtering, Aggregation, Joins), Data Manipulation

Statistics: Descriptive Statistics, Regression Analysis, Hypothesis Testing, Econometric Analysis

Tools: Microsoft Excel, Power BI, SQL, EViews, SPSS, GitHub

PROFESSIONAL EXPERIENCE

Freelance Data Analyst | Independent *Lagos, Nigeria | 2024 to Present*

- Deliver data analysis and quantitative research for business, economic, and academic clients, converting raw data into actionable insights.
- Clean, validate, and structure datasets in Excel and SQL to ensure accuracy and consistency before analysis.
- Build Power BI dashboards and analytical reports that present KPIs and trends in a clear, decision-ready format.
- Apply regression analysis, hypothesis testing, and descriptive statistics in EViews and SPSS to identify relationships and interpret trends.
- Complete independent projects on marketing performance, customer behaviour, and economic indicators.
- Present findings and recommendations to non-technical stakeholders in structured reports.

Data Analytics Intern | AFRIMENT *Career Enhancement Internship | October 2026*

- Researched and mapped 85+ technology academies across Africa, compiling data on institutions, training programmes, and digital skills offerings.
- Built verified course catalogues structured for comparative analysis.
- Validated records against institutional sources to improve data accuracy and reliability.
- Conducted comparative research to identify patterns and gaps across technology education providers.
- Collaborated with a research team to deliver outputs supporting education-market analysis.

SELECTED PROJECTS

Cart Abandonment Analysis | Excel, Data Cleaning, EDA

- Cleaned and analysed e-commerce transaction data to identify patterns linked to abandoned carts.
- Recommended actions to improve customer conversion based on the likely drivers found.

GetShopToday Marketing Analytics Dashboard | Power BI

- Designed an interactive dashboard tracking marketing performance and key business KPIs.
- Enabled trend exploration and performance monitoring through filters and visual reports.

SQL Data Analysis Project | SQL

- Wrote queries to extract, filter, and aggregate structured data into meaningful summaries.
- Used query-based analysis to uncover patterns and support evidence-based reporting.

Wealthsimple Marketing Analytics | Marketing Analytics, BI

- Analysed marketing metrics to interpret business performance and surface patterns relevant to decision-making.

African Technology Academy Mapping & Course Catalogue | AFRIMENT, 2026

- Contributed to a multi-country data collection exercise covering 85+ academies, producing validated, comparison-ready catalogues.

EDUCATION

MIT (in progress) *University of Lagos, Nigeria*

B.Sc., Economics *University of Lagos, Nigeria*

National Diploma (ND), Metallurgical Engineering *Yaba College of Technology, Nigeria*

CERTIFICATIONS & TRAINING

- Google Data Analytics Professional Certificate, Coursera
- Data Analyst Career Enhancement Internship Program, AFRIMENT (October 2026)
- Data Analytics Training and Professional Development, Learning to Land
